Volunteering with the York County Area Agency on Aging

The York County Area Agency on Aging's volunteers improve the quality of life for our community's older adults. At the same time, many of our volunteers are older adults themselves. Our volunteers find true purpose and joy in their service. The York County Area Agency on Aging has many opportunities for volunteering, but the roles we have the most need for right now are PA MEDI counselors, Ombudsman, and Judicial Center Tour Guides.

Specialized Volunteer Roles

PA MEDI Counselors

PA MEDI counselors are dedicated to continuing education regarding Medicare. They counsel beneficiaries in person and via telephone to help them make sense of sometimes confusing Medicare insurance system.

Impact: The Agency's PA MEDI helpline (717-771-9008) is staffed by volunteers who answer Medicare-related questions, provide "New to Medicare" workshops, and assist at various locations throughout the county during Open Enrollment.

Requirements: If you are a problem solver who enjoys learning and has a flexible daytime schedule, please consider this role. Volunteers are asked to commit to two years of service and volunteer 12 to 15 hours per month (including training, meetings, and counseling).

Ombudsman Volunteers

Ombudsman Volunteers advocate for York County's long-term care residents in nursing homes and personal care homes. They provide a visible presence in these facilities, helping residents voice their concerns and exercise their rights.

Impact: Volunteers offer education and access to programs for residents, families, and facility staff. They ensure that the quality of life for long-term care consumers is protected and enhanced.

Requirements: This role requires a 6-month to 1-year training program consisting of case studies, shadowing, internet modules, and virtual statewide training. Volunteers are asked to commit two years and at least five to six hours per month.

Judicial Center Tour Guides

The Judicial Center Tour Guides lead tours at the York County Courthouse for student and retiree groups. Judicial Center Tour Guides volunteer approx. 12-15 hours per month in the Fall and Spring. They provide a history of the York County Judicial Center, supervise students while they observe courtroom proceedings, and provide opportunities for students to meet the York County Sheriff's K-9 Unit.

If you are interested in any of these volunteer roles or would like more information, please contact the Volunteer Coordinator at the York County Area Agency on Aging:
