New Business**Request from a Spring Grove family and SGRPR for remembrance plaque.**

Dear Spring Grove Borough Council,

My name is Jessica Mann and I am a kindergarten teacher at Spring Grove Elementary. My staff and I had the honor of working with Payton Gonzalez, and his siblings at our school. Unfortunately, Payton tragically passed away on March 25th. The staff wanted to do something to honor Payton, and find a way to celebrate his memory along with his family. We would like to donate a plaque to be placed on an existing park bench at the Borough park in memory of Payton. This would give his family a positive place to visit to remember Payton. They have other young children at home, who love spending time at the park! If our request is approved, we will work with Kate King (Director of SGRPRC) to purchase the plaque and have the plaque installed at no cost to the borough. We are just asking for your approval to put the plaque on a bench. Thank you for your consideration! The staff at SGE and the Gonzalez family would truly appreciate your consideration. Thank you again.
